Day Students:

The day course runs from 9.30am to 5.30pm Monday to Friday. On Wednesdays we finish at 6.30pm.

Students have Spanish lessons in the mornings, and join Spanish students for break, lunch and all afternoon activities, including our Wednesday excursion. Students are always paired with a Spanish 'buddy' on the first day helping them integrate and settle quickly. A two course hot meal is provided in the school dining hall each day.

Students must sign in/out of the staff room each day and we must be informed in advance if someone other than the parent/guardian is collecting the student at the end of the day.

Optional extended care is also available from 8.30-9.30am and 5.30-6.30pm at £6 per day, however, we must be informed in advance if extended care is needed and agree drop off/collection times for each student.

Resident Students:

Youngsters attending our resident course will live with Spanish students for the week and share comfortable and modern boarding houses on the school campus.

Full board accommodation is provided from Monday 9.30am to Friday 5.30pm, with the option to arrive on Sunday and depart on Saturday (at £32 per night). For Sunday arrivals, we suggest students join us in time for dinner at 7pm. Students staying with us on Friday night should be collected by midday on Saturday morning.

Each boarding house has approx 44 beds over two floors with a mixture of single and twin rooms, and a 4-bed dorm per floor. The houses have recently been refurbished. There are showers and bathroom facilities on each floor and on the ground floor there is a spacious sitting room and games room with TV, dvd, desktop, printer and internet access and wifi. All meals are taken in the school dining hall, however each house has a well equipped kitchenette to make hot drinks and snacks.

Boys and girls sleep in separate areas, either in different houses or on separate floors. They have their own monitors, and there is always one monitor, often two monitors, per floor. They look after the students' wellbeing and ensure everyone is settling in well.

The school offers a very secure environment for students. There are security entry codes and cctv cameras in all boarding houses, as well as fire alarms and smoke detectors. To view the boarding houses and school premises in more detail please visit the school website www.kesw.org.

Students/parents MUST sign in on arrival and out on departure.
